Books I tried to read and did NOT like:

- Harry Potter
- Percy Jackson

I didn't like these books because...

I don't like fantasy and magic

I like characters that...

are my age and do stuff that I like to do

The pictures are fun. I don't like lots of paragraphs of just words.

How I feel about graphic novels...

I like stories that are...

funny and have adventures

Books I liked:

- Captain Underpants
- My Life as a Stuntboy

I liked these books because...

They made me laugh. The characters were funny.
